

M-Pro 7 Gun Cleaner

Description

- Non-toxic, biodegradable, environmentally safe gun cleaner exceeding existing P2 initiatives.
- Widely accepted in commercial markets. Technology is currently private labeled by Hoppe's Elite, Remington, Traditions, Sig Sauer, Traditions and Smith & Wesson
- Best carbon remover in the industry (see testing NDCEE)

The Need For M-Pro 7 Gun Cleaner

- Negates the harsh Environmental Conditions presented by Operation Iraqi Freedom, Operation Enduring Freedom.
- Carbon fouling is a significant problem with all modern weapon systems.
- Military.com: 4/6/07: "Carbon buildup from the M4's gas system has plagued the rifle for years, resulting in some close calls with Soldiers in combat whose rifles jammed at critical moments."
- Has unique conditioning technology that removes carbon and keeps it from building up.
